

RACE MEET A SUCCESS

BIGGEST CROWDS IN HISTORY OF FAIR GROUNDS ATTENDED. EVERYBODY SATISFIED.

The town is again running normal after three days of real excitement. The American Legion boys certainly put on a good meet this year and the town is well satisfied.

The second day's program was fast and good. The first riding contests came off in the morning and in the afternoon some well matched races were staged. A good tight wire act was the acrobatic feature of the morning and a parachute drop from a balloon was the feature of the afternoon.

The last day was the biggest and most exciting of the three. In the morning the finals in the roping and riding were staged. In the saddle riding Swanner took first money, B. W. Lyman second, and Ward third. Jack Welch took first in the bareback riding. Al Roy took second money. Ward took third money.

In the single roping W. M. Shanley took first money, Garrett second money and Hechethorn third.

Shanley and Garrett came in with the best time in the double roping, Shanley and Hechethorn second, Middleton and Mackelprang third.

The races in the afternoon were good to say the least. Our own Henry Mackelprang demonstrated beyond question that Cruise was the best horse in the field among the entries.

The day was livened by good riding mixed through the program. Sovern (Whity, Podunk et al) furnished the humor and Baldwin and his two sons gave the thrillers in the tight wire and parachute drop.

The evenings entertainment was furnished by the American Legion Players with some splendid help in the show "Billeted" followed by a dance.

All together the race meet and rodeo was a big success.

NOTICE TO SHEEPMEN

Sealed bids will be received by the undersigned, up to five o'clock Saturday, Sept. 16, 1922, for the grazing located below Iron Springs, for the winter of 1922-23.

Right reserved to reject any or all bids.

Iron Commercial and Savings Bank.
WM. R. PALMER, Sec.

ANNOUNCES HIS CANDIDACY.

In trying to get a line-up on whom might be out for sheriff in the democratic party we were told that Alfred Froyd was considering the proposition of allowing his name to be presented in the coming democratic county convention for the nomination of sheriff, and to make sure that this information was correct we interviewed the gentleman.

Mr. Froyd stated that he had been asked by a number of politically interested men of the county, both democrats and republicans, to allow his name to be presented at the convention, and that he had finally decided to do so. He announced that he was willing to run for the nomination and from what he could glean from those interested he was assured of the nomination.

If the democrats place Mr. Froyd on the democratic they will have a man of experience who will draw a heavy vote, because the people know him well, and he has had 17 years experience as a peace officer, having held the important positions of U. S. Deputy Marshal, County Sheriff of Iron County, and City Marshal of Cedar City.

During his service as peace officer Mr. Froyd gained a wide experience in handling all kinds of cases, civil and criminal, and learned the absolute necessity of getting the facts in every case before making arrests.

Mr. Froyd's record as a peace officer stands well above the average

in number of cases brought before the court and the number of convictions had. His experience will stand him well in hand should he be lucky enough to win the election, and if elected the people can rest assured that he will do his full duty.

Seth Jones of Enterprise was a business visitor in Cedar Tuesday.

HAS INTERESTING AND PROFITABLE TRIP

In conversing with H. L. Frisby in connection with the trip made by the B. A. C. faculty and musical club made the past two weeks throughout the southern part of the state in the interests of the school, the gentleman said that the party had an interesting and profitable trip. He said that considerable enthusiasm was worked up among the people and a large number of students will attend this winter.

Mr. Frisby stated also that the party visited 15 towns and in each Director Maughan was well received, and being well known throughout the entire section because of his connection with the Murdock Academy, of which he was principal until its close, he is held in very high esteem by all, and considered to be one of the best men in the state for the position of Director of the B. A. C.

Mr. Frisby asserts that he is confident that the attendance at the school will be considerably greater than that of last year.

REPUBLICAN PRIMARY.

A primary of the Republican Party of Cedar City will be held in the Library Auditorium on Saturday, Sept. 23rd, 1922, at 8 p. m. SHARP, to elect delegates to the county convention which will be held in Cedar City on Tuesday, October 3rd, 1922, at 10 o'clock a. m., for the purpose of nominating candidates for the following office:

County Representative.
Commissioner, long term.
Commissioner, short term.
County Clerk.
County Sheriff.
County Treasurer.
County Recorder.
County Attorney.
County Surveyor.
County Assessor.

Also to nominate candidates for Precinct Justice and Constable, and such other business as may come before the Primary.

JOSEPH C. STEVENSON,
Precinct Chairman.

NOTICE TO WATER USERS

State Engineer's Office, Salt Lake City, Utah, Aug. 24, 1922.

Notice is hereby given that Patrick Donovan of Modena, Utah, has made application in accordance with the requirements of the Compiled Laws of Utah, 1917, as amended by the Session Laws of Utah, 1919, to appropriate One-third (1-3) of a Sec. Ft. of water from an unnamed creek in Iron County, Utah. Said water will be diverted at a point South 44 degrees, 15 min. East 169 ft. distant from the N. W. corner of Sec. 25, Township 34 South, Range 19 West, Salt Lake Base and Meridian, and conveyed by means of a canal a distance of 600 ft. and there used from Jan. 1 to Dec. 31, inclusive, of each year, to irrigate 20 acres of land embraced in the E 1/4 NW 1/4 of Sec. 25, township and range aforesaid. This application is designated in the State Engineer's Office as No. 9063.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, accompanied with a fee of \$1.00, and filed in this office within thirty (30) days after the completion of the publication of this notice.

R. E. CALDWELL,
State Engineer.
Date of first publication Sept. 1, 1922. Date of completion of publication Sept. 29, 1922.

NOTICE TO WATER USERS.

State Engineer's Office, Salt Lake City, Utah, Aug. 24, 1922.

Notice is hereby given that R. R. Page of Provo, Utah, has made application in accordance with the requirements of the Compiled Laws of Utah, 1917, as amended by the Session Laws of Utah, 1919, to appropriate Four One-hundredths (4-100) of a Sec. Foot of water from Crystal Springs, in Iron County. The springs issue at a point N. 89 degree, 50 min. W. 1188 ft. thence N. 330 ft. from the S. E. corner of Section 36, Township 36 South, Range 14 West, Salt Lake Base and Meridian, and conveyed by means of a ditch a distance of 1,900 ft. where it will be used from Jan. 1 to Dec. 31, inclusive, of each year for mining purposes. This use will consume 35-1000 of a Sec. Ft. of water, and the remainder will be returned to the stream at a point 330 ft. East of the NW. corner of Sec. 6, Township 37 South, Range 13 West, Salt Lake Meridian. This application is designated in the State Engineer's office as No. 9007.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, accompanied with a fee of \$1.00, and filed in this office within thirty (30) days after the completion of the publication of this notice.

R. E. CALDWELL,
State Engineer.

NOTICE FOR PUBLICATION

(Publisher)
Department of the Interior, U. S. Land Office at Salt Lake City, Utah, September 6, 1922.

Notice is hereby given that William Renner, of Cedar City, Utah, who, on April 5, 1920, made Home-

stead entry No. 025769, for E 1/4, Section 17, Township 32 South, Range 18 West, Salt Lake Meridian, has filed notice of intention to make three-year proof, to establish claim to the land above described, before the United States Commissioner, at Modena, Utah, on the 21st day of October, 1922.

Claimant names as witnesses: James T. Blackburn, John E. Wolfe, Ralph Steva, and Leonard L. Cotton, all of Modena, Utah.

GOULD B. BLAKLEY,
Register.

(First Sept. 8. Last Oct. 6, 1922.)

NOTICE—United States Land Office, Salt Lake City, Utah, August 7, 1922. To Whom It May Concern: Notice is hereby given that the State of Utah has filed in this office lists of lands, selected by the said State, under section 6 of the Act of Congress, approved July 16, 1894, as

Indemnity School lands, viz: Serial 031304, NE 1/4, SE 1/4, Section 23; NW 1/4 SW 1/4, Section 24, Township 35 South, Range 10 West, Salt Lake Meridian. Copies of said lists, so far as they relate to said tracts by descriptive subdivisions, have been conspicuously posted in this office for inspection by any person interested and by the public generally. During the period of publication of this notice, or any time thereafter, and before final approval and certification, under departmental regulations of April 25, 1907, protests or contests against the claim of the State to any of the tracts or subdivisions hereinbefore, described on the ground that the same is more valuable for mineral than for agricultural purposes, will be received and noted for report to the General Land Office at Washington, D. C. Failure so to protest or contest, within the time specified, will be considered sufficient evidence of non-mineral character of the tracts and the selections thereof, being otherwise free from objection, will be approved to the State. "I knew him when he was a boy"

What one is there of us that has not felt the glow of satisfaction over the outstanding success of a life-long friend? Often a surprise—seemingly "all of a sudden." Yet neither surprising nor sudden, when you stop to think back over each step of his progress.

THE United States Rubber Company—makers of U. S. Royal Cord Tires—were first to conceive, make and announce the balanced tire. A tire in which there is such complete unity of action in tread and carcass that neither will give way before the other.

First to conceive, make and announce a complete line of tires—a tire for every need of price and use under one standard of quality.

First to tell the public about the good and bad in tire-retailing. (You remember the phrase "Go to a legitimate dealer and get a legitimate tire.")

First also to arouse industrial and trade minds to the need of a new kind of tire competition. (Competition for better and better values. Greater and greater public confidence.)

THESE high spots along the U. S. road to leadership indicate the intent—the will to win by the quality route in a price market.

Now that so many car-owners have given their verdict for quality tires in general, and U. S. Tires in particular—a number of dealers and car-owners whose vision has been clouded by "discounts," "sales" and what not, are beginning to remember that they "knew him when he was a boy."
